CLICK SYSTEM

SPC FLOORING

HIGH RESISTANCE FLOORS WITH QUICK, PRECISE AND FLOATING INSTALLATION.

SPC (Stone Plastic Composite) rigid core floor, designed to combine natural aesthetics and high performance. It offers excellent resistance to water, wear and dimensional stability, with a Click system for quick and precise installation.

TECHNICAL SPECIFICATIONS

Standard dimensions: 23 × 120 cm (**2.24m2 box**)
Total thickness: 6mm (5mm SPC core + 0.5mm wear layer + 0.5mm IXPE base)
Wear layer: 0.5 mm (High resistance to daily use)
Noise resistance: 2 dB (Lower sound transmission)
Slip resistance: High (Safety when walking)
Chemical resistance: High (Easy maintenance)

TECHNICAL SPECIFICATIONS

Stability To Color - Grade 6	**Chemical Resistance** EN 423	**Low Permanent** Deformation (0.06 mm)
High Impact Resistance · ASTM F1265 / D2632	**Use with wheelchairs** EN 425	**High Dimensional Precision** 0.8 mm / 0.07 mm
Thermal Resistance EN 12664	**Low Emission of Harmful Substances;** Free from Formaldehyde and Heavy Metals	**Fire Rating** Bfl-S1

APPLICATIONS

Suitable for indoor use in:

COMMERCIALS · RESIDENTIAL · EDUCATIONAL · CARE-RELATED

FINISHES

- Colors available according to primer
- High aesthetic uniformity
- Design Versatility

Colors

LIMPIEZA Y MANTENIMIENTO

PERMITTED

- Clean water
- Neutral detergents (includes hospital use)
- Manual or low pressure application
- Soft tools for joints and corners
- Mandatory rinse with clean water after cleaning

FORBIDDEN

- Acidic or highly alkaline products
- Industrial solvents (thinner, industrial alcohol, etc.)
- Corrosive or oxidizing substances
- Acetic silicone
- Any aggressive chemical that degrades the material

CLEANING TERMS OF USE

- Industrial solvents
- acids
- Abrasive products
- Corrosive substances
- Metal brushes

Improper use may compromise the product's service life.

Terms of Use

- Recommended indoor use.
- Suitable for homes, hospitals, schools, hotels and businesses.
- Evaluate application in extreme or highly corrosive environments.

UNILIN TECHNOLOGY · HOMAG TECHNOLOGY · UNICLIC® SYSTEM · DIY INSTALLATION

Responsibility and Scope

The manufacturer or supplier is not responsible for damages resulting from:

- Improper use
- Incorrect application
- Cleaning with products not permitted
